ROYALZ FOUNDATION

COMMUNITY EVENT

ROYALZ FOUNDATION launched our First event to lend a vital support for a family to educate their child". Royalz Foundation Member Mr. Shibin (Treasurer), Mr. Juan L (Joint Secretary) & Navaneeth Bhatt (Joint Secretary), handing over the funds for the upcoming Year to the Principal Rev. Sr. Soniya Joseph of PIERRE PAUL PUBLIC SCHOOL (CBSE), Trivandrum.

Education is one of the most effective agents of change in society. When a child is able to go to school today, he or she sets off a cycle of positive change. But, thousands of children in India lack access to education Moreover, underprivileged children between the ages of 11 to 14 years are hugely vulnerable to dropping out of schools.

Unless these underlying causes are dealt with, the situation for children will not change. ROYALZ FOUNDATION, along with its partner organisations are working at the grassroots level to make sure that children do not have to face these barriers and can fully exercise their right to education.

We are really thankful to all our proud members of ROYALZ FOUNDATION . They made all this happen,we request your full participation on the year ahead.

PIERRE PAUL PUBLIC SCHOOL (CBSE), Trivandrum.

DID YOU KNOW?

Many children in poverty leave school without a basic education – if they're able to attend at all. When children and youth fall behind, usually due to illness or family problems, the resources to catch up don't exist. Overcrowded classrooms and uneducated parents can make it nearly impossible for children to get the foundational knowledge they need to keep growing and thriving. This makes getting a stable job or planning for the future seem hopeless.

#TEAM MEMBERSHIP

The membership committee monitors all aspects of membership, including invitations, retention and education—bringing in new members, teaching them about Royalz Foundation and then ensuring that the member meets his expectations. That's no small job. You were chosen because you're up to the task.The membership chair develops new member prospect lists and recruitment opportunities. The membership team works closely with the Executive Committee to plan membership drives and special club meetings for prospective members.

Today , the world is in greater need of charity than ever before. The gap between the rich and the poor is widening.While on one hand, we have the billionaire businessmen, sport stars and movie stars.While on the other hand we have millions of diseased and starving men,women and children dying for that one morsel of grain that would keep them alive..

MEMBERSHIP COMMITTEE
ROYALZ FOUNDATION

IN BREIF

In addition to formal fundraising efforts, another way that Royalz work to generate funds is by charging a membership fee and expanding our membership. The membership committee keeps track of membership fees and looks for ways to attract new members.Membership committee members also create strategies to keep their current members active and involved in order to preserve their retention numbers. The Executive may also set some strategic goals for the membership committee, such as gaining a certain number of new members per year. The current Fee to get a Membership in Royalz Foundation is 2000 INR. with that membership you will receive a Welcome kit which includes the follows.

Charity is one of the most noble tasks that a man can do in his life.According to different religious beliefs, our life on earth is just a transitory phase of an eternal journey towards salvation.So, this brief period that we are on earth, which we call life, has to be lived with a purpose.For some people the true meaning of life is the joy of giving.They realize this dream of theirs by engaging in acts of charity.

Ahoy Everyone! myself George Ferdinand Xavier. I don't need any further introduction as most of our Royalz friends know me well. Still for those new here, I am from Thangassery and a passout of 2006 IJHS batch.

Right from Vasco da Gama's expedition to reach India and carried the record of the longest ocean voyage ever made until 1498 paved the way for discovery of sea route in India

Similarly, PAX Shipping Group has paved the way for Steamer Agency enhanced network in Kollam, the second largest port in Kerala by volume of cargo handled and facility. PAX Shipping and its group company Vizhinjam Logistics Pvt Ltd (VLPL) is diversified into shipping and logistics activities including Steamer Agency, Shipping Line, ETC

Passion has been my guiding forces, driving us to cater to ship chandling, steamer agency and latelypowering PAX Shipping Group to a shipping line steering through the various port of South India right to the UAE, catering to the requirements of My Fair Lady Queens also lovingly know as Mother Vessels. Myself fondly known as George by close friends and peers, a proud member ofRoyalz and a founder member of Royalz Foundation, skinned my heart and my knees all at Infant Jesus School, hailing from Thangassery.

Just as the multiple handles of a ships wheel, we at PAX Shipping Group cater to the requirements of ship owners and vessel operators, right from the Port, Customs, Immigration, Port Heath, Stevedore, Ship chandler and Coast Guard.

As necessity is the mother of invention, especially during the new normal we have been getting to understand from this year, the requirement of the vessel at port vary, my day would start would the coordination of the vessel status, to the gaining clarity on the berthing of the vessel at port , in layman's terms, bring her close to shore to start pampering our Mother Vessel simply by catering to all the requirements based on the type of vessel or ship, i.e. from general cargo or bulk vessels to oil, gas or chemical tanker ships orheavy liftvessels or containerships. Just like a ship who breaks through the waves withutmost care and attention, even as the tide shifts from high tide to low tide, from calm sea to stormy winds, my day can move quick from a regular morning crisp newspaper to a super express audio news, to gain a glimpse of the world events and the ships under my agency at port all at the same time. Please feel Free to visit my websitewww.paxshipping.com to gain more understanding about us and what we do.Good bye&Safe sailing to all!
